April 2026

Dear Parents and Carers,

I am writing to inform you of an upcoming change to our school's PE kit, which will take effect from September 2026.

As part of our ongoing commitment to ensuring that all students feel comfortable, confident, and appropriately dressed for physical activity, we will be introducing a new unisex sports T-shirt. This will be a round-neck performance top, embroidered with the school logo, designed to be durable, practical, and suitable for all pupils.

Although the new T-shirt will become the standard PE top from the start of the 2026–27 academic year, there is no expectation that families purchase it immediately. We understand the importance of managing uniform costs, so the new item can be phased in gradually as and when your child needs a replacement. We also anticipate that the new T-shirt will be a similar price to the current PE tops, helping to ensure affordability. Uniform items will continue to be available from Southwest Schoolwear and Goldstar.

In addition, two optional new items will be available for families who wish to purchase them:

- A new unembroidered sublimated rugby shirt for those who prefer a more robust option for rugby. The estimated cost is £22.95, comparable to the current rugby shirts which it will replace.
- A ¼-zip unembroidered training top, suitable for wearing over the PE T-shirt on colder days. The estimated cost is £24.

The rest of the school PE kit remains unchanged: black knee-length shorts or plain black leggings (no mesh panels), socks, trainers, studded boots (not Astros) and shin pads.

Thank you for your continued support in helping us maintain a consistent and smart PE kit for all students. If you have any questions, please contact the school office.

Regards
