Headteacher – Mr A Reid, BSc (Hons), MA

April 2026

Dear Parent/Carer

I am delighted to be writing to you with details of our forthcoming Go Global Year 6 Transition Summer school.

Following the success over the years in offering a comprehensive programme to assist with transition, we will again be providing three packed days of Global Learning opportunities. All of these will enable students to build confidence, familiarise themselves with the school and begin to meet new friends and classmates.

This year's Summer School will run between **Thursday 23rd – Saturday 25th July** from 9am – 3pm each day. The programme will allow students to explore aspects of cultures from around the world through a variety of activities designed to challenge and engage their imaginations! Included in the programme will be sessions in Food, Science, Wellbeing, English, Music, Art and PE as well as visits from a zoo and a Planetarium!

There is a registration fee of £30 which covers the duration of the 3 days and ensures that we can buy materials. In previous years we have not charged for this but as some students register but then do not attend due to last minute holidays/changes in plans, we have had to introduce this as materials are purchased in advance. Refreshments are provided but students will need to bring packed lunches and have transport to and from Haygrove for the agreed drop off and collection times. Students entitled to FSM may also be eligible for further support, dependent upon individual circumstances and the specific learning needs identified by the school. Please contact finance.

The Summer School is open to all students in Year 6 who will be joining Haygrove in September but **places are limited**. In the event of oversubscription, names will be drawn at random and we will keep you informed with all information. This process will take place after the closing date so please be patient with us. We would ask that, as places are limited, students are available for all 3 days in order to fully enjoy the experience and ensure that places are filled with students able to complete activities across the programme.

Please find enclosed an application form which can be posted to the school address with the £30 fee (cash or cheque made out to Quantock Education Trust), or handed in **at the Finance Office by Monday 8th June**. Please note, applications received after this deadline will join the end of the waiting list.

Please do contact me should you have any specific questions and I hope we may see your son/daughter joining us in July!

Yours sincerely

K Collinge – Mrs
Director of Global Learning
