Dear Parent

Year 11 Trip to Thorpe Park – Saturday 28 March 2026

We would like to give Year 11 students the opportunity for a wellbeing trip to celebrate their hard efforts for the spring term. The trip will be going to Thorpe Park on Saturday 28 March 2026. This will also be the last time we will get together as a year group before the start of their GCSEs in May. Thorpe Park offers some of the most exciting rides in the whole of Europe, with a feast of over 28 rides and attractions.

Trip details

- We will be leaving Haygrove School at **6.30am** promptly, and will return at approximately **8.00pm**. Please arrange for the safe collection of your child from school on our return, and ensure he/she has a contact number in case of early or late arrival back to school.
- The cost of this trip will be **£60.00** which covers the entrance to Thorpe Park, transport by coach and insurance. Your child may also want to bring some money for food they may wish to buy during the day.
- Payment can be made online via Scopay or by cash/cheque. Please ensure a payment of £60 is with us by Thursday 26 February 3:15pm
- Because this is a social trip and not related to the curriculum, there will be no funding available for those entitled to Free School Meals.
- Your child should wear clothes suitable for the park, and they should bring any food and drink they want for the day. The children will be in minimum groups of 4 friends at the park.
- All places on this visit are subject to good attendance and behaviour and the Head of Year and Deputy Head has the right to withdraw a student from a visit if these criteria are not met. This includes full school attendance, to include P0 and P6.

It is essential that when you sign up payment is made as requested on the letter. If you sign up but do not complete payment your child is not guaranteed a place on the trip.

Having your son or daughter participate in a trip, such as this, will boost responsibility, curiosity and confidence as they explore new surroundings and socialise with their friends. We believe this downtime will help your child progress as a person and within their learning environment.

Emergency contact and medical information will be taken from information previously provided by you and held on the school's management information system. It is therefore essential that you notify the student services office if this has changed.

Yours sincerely

L Mills
