

Instrumental Lessons

At Haygrove School we have a number of talented and enthusiastic instrumental teachers. Lessons take place on a weekly basis, and are rotated through the day so you don't have to worry about missing the same lesson each week. For certain instruments there is the option to have paired or shared lessons - to find out more ask the relevant teacher.

If your interested in starting lessons contact the relevant teacher for the instrument (contact details are below). They will be able to offer you help and advice, and will be able to suggest the best way to proceed. You can also come and speak to Miss Powell Head Of Music, about instrumental lessons at anytime.
