Dear parents/carers

I am writing to inform you that one of the school's minibuses was recently stolen. Regrettably, the police have had no leads in finding it and therefore it is very unlikely that it will be returned to the school.

The school's insurance company have offered a settlement figure of approximately a quarter of what the minibus was purchased for just a few years ago. Unfortunately, the school does not have the funds to cover the depreciation loss and the cost of a new vehicle is estimated to be in the region of £24,000. Therefore, we are looking to parents and the wider community for ideas on how we could potentially fundraise or secure sponsorship for a new vehicle.

We will endeavour to ensure this situation does not impact on the extra-curriculum activities available to our students, however our minibuses are a vital tool in delivering parts of this programme. Therefore, please be aware that there may be some changes until we can source a permanent replacement.

If you have any ideas regarding fundraising or securing sponsorship, we would be delighted to hear from you. Please contact Mrs Williams on 01278 455531 or at GWilliams2@educ.somerset.gov.uk.

Many thanks.

Yours faithfully
