Executive Headteacher/CEO – Mrs K Canham, BA (Hons), MA
Headteacher – Mr A Reid, BSc (Hons), MA

16 July 2020

Dear Parent/Carer

I want to begin by thanking all students, staff, parents and governors for their tremendous support and understanding in what has been exceptionally challenging circumstances over the past few months. What is so demonstrable is that goodwill, resilience, integrity and empathy are at the heart of our community and these are key characteristics that make Haygrove such a fantastic school to be part of.

We had the pleasure this week of appointing our Head Boy/Girl, Deputy Head Boy/Girl from an excellent field of extremely talented young people. The interview process was carried out online and without exception, we were absolutely in awe of the quality of our students. Afterwards I had a note from one of our new appointees who wrote 'Thank you so much for your constant care, help and support that is apparent everyday'. There is no better time to be involved in education than a time of challenge, when everyone pulls together and works collectively for the greater good of our children and their families.

From September, we look forward to all of our students returning to school and welcoming our new year 7 students into the Haygrove Family. All of our staff are really looking forward to seeing everyone and getting back to what we love best - learning and teaching. Arrangements for returning to school are summarised in the attached document titled '*Returning to School in September 2020 – A guide for parents*' and can be read in conjunction with our compliance and risk assessment which is on our school website at <https://www.haygroveschool.co.uk/about-us/covid-19-risk-assessment.htm>. If you have any concerns regarding the contents of the risk assessment, please let us know. This document will be reviewed and updated as necessary by the Senior Leadership Team at least every two weeks. Any feedback received will be considered through this review process.

Returning to School in September summary – Year 7

Year 7 will start on **Monday 7 September**. Students are invited to report to the Basketball Courts (indicated as Break/Lunch area on the attached map for Year 7), via the Sports Hall Blue Gates, from 8.20am to arrive no later than 8.40am. Staff will be available at the gate to help direct students. Therefore, we politely request that parents do not come onto the school site.

We will hold a series of activities geared towards wellbeing, getting to know one another, school systems and understanding how we will operate under the new government guidance to stay safe in school.

Returning to School in September summary – Year 8, 9, 10 & 11

All other students, including year 7, will return to school on **Tuesday 8 September** and will be invited to their new tutor room from 8:20am to arrive no later than 8:40am. All children including year 7 will stay with their tutor until 11:15am.

耀华国际教育学校
Yew Wah International Education School

In order to help us manage the start and end of the school day, children are asked to arrive/leave the school site through specific entrance/exit points. Please see the tables below for specific details.

Students will be 'bubbled' into year groups and have designated zones within the school. Please see the attached maps for details.

We very much look forward to seeing your children returning to school in September and wish you all a happy and safe summer break.

Yours faithfully

A handwritten signature in black ink, appearing to read 'A Reid', written in a cursive style.

Mr A Reid
Headteacher
