Dear Parent/Guardian

Year 11 Core Presentation Evening Tuesday, 16th October, 5.45pm – 7.30pm

You are invited to attend an exclusive Core subject Presentation Evening on Tuesday, 16th October. We hope to give parents an idea of what exactly Year 11 students will require in preparation for their GCSE examinations in English, Mathematics and Science.

There will be a brief introduction at 5.45pm in the School Hall, followed by “small group workshops” in each of the three core subjects (Maths, English and Science). We feel these sessions will be helpful and informative for parents at this crucial stage. We hope you are able to attend and would ask you to fill in the attached reply slip accordingly and return by Friday, 5th October.

Yours sincerely

A Reid – Mr
Deputy Head
